FOR IMMEDIATE RELEASE

**Bostrom Seats from Accuride Now Available as Options
For Volvo Trucks North America**

EVANSVILLE, Ind. – November 7, 2006 -- Accuride Corporation (NYSE:ACW) today announced that truck seats from its Bostrom Seating division are now options on Volvo trucks sold in North America.

Available options for Volvo are Bostrom driver and passenger versions of its Standard and Comfort air suspension seat, as well as a Stationary and Tool Box option for the passenger seat. These are available for the Volvo VN and VT highway tractors, as well as the Volvo VHD vocational truck.

Bostrom is a leading supplier of air suspension and static seating systems for heavy- and medium-duty trucks, the related aftermarket, and school and transit buses.

Accuride Corporation is one of the largest and most diversified manufacturers and suppliers of commercial vehicle components in North America. Accuride's products

-more-

include commercial vehicle wheels, wheel-end components and assemblies, truck body and chassis parts, seating assemblies, and other commercial vehicle components.

Accurides's products are marketed under its brand names, which include Accuride, Gunite, Imperial, Bostrom, Fabco, and Brillion. For more information, visit Accuride's website at <http://www accuridecorp.com>.

Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995 for Accuride Corporation: All comments relating to any future period are forward-looking statements, subject to uncertainties and risk that could cause actual results to vary materially from what is suggested here. These statements are subject to risks and uncertainties, including without limitation, the risks detailed from time-to-time in Accuride's filings and reports with the Securities and Exchange Commission.
